**Mathematics and
Statistics**

BOWLING GREEN STATE UNIVERSITY

Adjunct Positions

The Department of Mathematics and Statistics at Bowling Green State University (<http://www.bgsu.edu/arts-and-sciences/mathematics-and-statistics.html>) seeks applicants for one or more part-time teaching assignments of undergraduate and/or graduate courses in mathematics and statistics for Academic Year 2024-2025.

Details: Successful applicants may teach quantitative reasoning, college algebra, precalculus, calculus, math education, introductory and/or foundational statistics, statistics, a first course of probability, and/or other courses depending on the applicant's qualifications. Starting date is August 2024 or January 2025.

Qualifications: Candidates must have a master's or doctoral degree in mathematics, statistics, mathematics education, or in a closely related field. Evidence of successful teaching in mathematics and statistics courses at the collegiate level is preferred, as is experience teaching in an Emporium format.

Application: Complete application file must include: (1) a letter of application; (2) full curriculum vita; (3) two current (dated after August 30th, 2023), original letters of reference; (4) official transcripts indicating the highest degree earned. Finalists will also be required to authorize and pass a background check prior to an offer of employment.

Applications must be received by June 25th, 2024.

Submit application materials to: Junfeng Shang, Chair, Department of Mathematics and Statistics, Bowling Green State University, Bowling Green, OH 43403.

Qualified applicants will also be considered for future part-time employment opportunities that may arise unless they request otherwise.

Bowling Green State University is an Affirmative Action/Equal Opportunity Educator and Employer. We are committed to fostering a diverse and inclusive environment and strongly encourage applications from women, minorities, veterans, and individuals with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation.
