Join Not in Our Town Bowling Green AND Detective Louis Espinosa from the FBI Joint Terrorism Task Force

Join us for the second of a three-part series about the rise of extremism and domestic terrorism. Detective Espinosa will share information about strategies extremist organizations use to recruit new members, indicators that individuals may be engaged in extremist activities, and strategies that parents, caregivers, educators, and community members can use to identify and address potentially dangerous behaviors.

*NOTE: This session will NOT be recorded due to the sensitive nature of this content.
