The Office of Equity & Diversity invites BGSU Community Members interested in the faculty and staff hiring process to volunteer for consideration to serve on University search committees. Bowling Green State University firmly believes that search committee make-up should reflect the University's goals for diversity. As such, gender and ethnic diversity of search committee members is essential to a successful search. OED hopes to build a database of people willing to participate in searches when a hiring unit is in need of a member for their search. We seek voluntary self-nominations of anyone interested; please take a moment to seriously consider this opportunity. This form is in no way intended to exclude or eliminate anyone for consideration; it is simply to gather information of those who wish to serve the University.

Attached you will find a Self-Nomination Form. Please complete and return the form to the Office of Equity and Diversity at 140 McFall Center or via email at: oed@bgsu.edu. If you have any questions or would like more information please contact the Office of Equity and Diversity at (419) 372-8476.

Sincerely,

The Office of Equity & Diversity
