## What is Sustainability?

**Sustainability means:**

“meeting the needs of the present without compromising the ability of future generations to meet their own needs.”

## Be Sustainable!

- **Recycle:** utilize the brown recycling bin your room and the stations in each residence hall/academic building
- **Turn off lights** when you leave your room or lounge
- **Unplug** electronics when not in use
- **Use LED or CFL** light bulbs to save energy
- **Reduce** shower time to save water
- **Eat less meat** and more vegetables
- **Walk, bike, or carpool** to places
