

The Recycler

Fall Edition Issue 1: August 2017

Sustainability:

“meeting the needs of the present without compromising the ability of future generations to meet their own needs.”

How To Be Sustainable:

- **Recycle**, using the bin in your room, the stations throughout each residence hall/academic building, or at home
- **Turn off lights** when leaving your room, the hall lounge, or your house/apartment
- **Unplug** electronics when not in use
- **Use LED or CFL** light bulbs to save energy
- **Reduce** shower time to save water
- **Eat less meat** and more vegetables
- **Walk, bike, or carpool** to places on/off campus
