## S.R. 2009/2010 – 02

### A Resolution that supports the renovation project of the William T. Jerome Library deck.

*In the Senate of the Undergraduate Student Body here assembled,*

1. **Whereas**, the Undergraduate Student Government understands the importance of the
2. William T. Jerome library and the influence it has on campus, we foresee the library
3. accumulating greater importance within the coming years with the completion of the Wolfe
4. Center for the Performing Arts because there will be more student traffic in that region of
5. campus and the newly renovated deck will be more in line with the that area of campus,
6. and
  
7. **Whereas**, the William T. Jerome library contributes greatly to recruitment because it is the
8. only building intentionally passed twice on tours of the university to prospective students,
9. but the current deck does not effectively represent the university, and what it stands for, and
  
10. **Whereas**, this space is heavily unused due to a lack of seating arrangements and the
11. unwelcoming atmosphere created by the overall setup of the deck, and
  
13. **Whereas**, Bowling Green State University and other institutes are interested in investing the
14. necessary capital, and labor into this project, but they desire to see student support and
15. initiative in this project, and
  
16. **Whereas**, the Undergraduate Student Government has initiated this project, therefore a
17. representative from the Undergraduate Student Government will always be present and give
18. constructive insight on all major decisions and processes taken on the deck, and
  
19. **Therefore**, let it be resolved that it is necessary for the Undergraduate Student Government
20. at Bowling Green State University to support, and push for the necessary renovation that the
21. library deck desperately needs to make it a more welcoming environment, and
  
22. **Therefore**, let it be resolved that the Undergraduate Student Government will adopt the
23. William T. Jerome library deck, by volunteering to help maintain it once a month by
24. inspecting and completing any type of cleanup deemed necessary in order to show student
25. support for this project, and
  
26. **Therefore**, let it be resolved that the Undergraduate Student Government will work towards
27. getting student support for the deck by obtaining student organizations to volunteer to work
28. as a cohesive unit to maintain it, and

**THE SENATE OF THE UNDERGRADUATE STUDENT BODY**

---

29. **Therefore**, let it be resolved the goal of the Undergraduate Student Government will be to  
30. ensure that Bowling Green State University will officially adopt this project into the master  
31. plan, by offering the capital and labor for this project to succeed, and
32. **Let it be further resolved that**, the method of utilizing senators, and organizations to  
33. volunteer to help maintain the deck will be orchestrated by At-Large Senator Clayton  
34. Stewart as long as he is in the Undergraduate Student Government until he is obligated to  
35. pass it on to a successor, and
36. **Let it be further resolved that**, upon passage in the Senate, this legislation will go into  
37. effect immediately, and
38. **Let it be finally be resolved** that upon passage in the Senate, this resolution shall be  
39. submitted to the President of the Undergraduate Student Body for approval or veto.

*Passed by the Senate and ordered presented to the president of the Undergraduate Student Body for Approval or Veto.*
