| Provide a short summary as to why you feel this person is deserving of the Spirit of BG Award. | The Medici Circle, which supports the School of Art with scholarships and grants for students, creates and distributes special nametags for the student participating in the Undergraduate Show and the Bachelor of Fine Arts exhibit. Barb came in on the weekend, unsolicited but stepped forward to help. She secured a table, chairs and helped with distribution of nametags over the two events. She volunteered without hesitation. Her main interest was celebrating the students and making sure the event went well. Appreciate her friendly, collaborative and supportive personality. |
