Please note that the Graduate Student Flow Model is updated each semester with end-of-term data. Graduation under the spring semester heading indicates the number of students who have graduated through the immediately preceding December. Graduation under the summer semester heading indicates the number of students who have graduated through the immediately preceding May. Graduation under the fall semester heading indicates the number of students who have graduated through the immediately preceding August.

Please note that the Graduate Student Flow Model is updated each semester with end-of-term data. Graduation under the spring semester heading indicates the number of students who have graduated through the immediately preceding December. Graduation under the summer semester heading indicates the number of students who have graduated through the immediately preceding May. Graduation under the fall semester heading indicates the number of students who have graduated through the immediately preceding August.
